

# **Laboratory Results**

Results for the samples and analytes requested The lab is not directly responsible for the integrity of the sample before receipt at the lab and is responsible only for the certified tests requested.

Lab No.: 7063185001

Client Sample ID.: BIG WIN BOTTLED WATER

**Sample Information:** 

Type: Drinking Water

Origin: Other Special

### Qualifiers:

U - Indicates the compound was analyzed for, but not detected See qualifiers page for additional qualifier definitions.

Test results meet the requirements of NELAC unless otherwise noted.

DF - Dilution Factor, if reported, represents the factor applied to the reported data due to changes in sample preparation, dilution of the sample aliquot, or moisture content. ND - Not Detected at or above adjusted reporting limit.

J - Estimated concentration above the adjusted method detection limit and below the adjusted reporting limit.Estimated value - below calibration range
